

Qala, GOZO

A very rare opportunity to acquire this TERRACED HOUSE currently on plan and to be sold constructed in a shell form. Located within the outskirts of the village yet close to the vibrant square and close to all amenities, this property enjoys tranquil surroundings. The accommodation offers 3 double bedrooms, and 3 bathrooms, and on the roof level, one finds a living room, washroom, and a terrace with space for a splash pool. A good investment and hard to come by!
